This year we are doing half price certificate holding memberships. This includes singles, senior singles, couples, senior couples, and family. You can't have been a previous member in the last five years and will still have to pay the full \$200 for the certificate. For example, a single membership is \$735, cut that price in half and it's \$367.50 (+\$200 for certificate) for new members. Come on out, start making new friends and great golfing memories.
