COURSE & CLUBHOUSE

WCC employees have the right to contact local authorities if a person they know is underage attempting to purchase alcohol and or appears intoxicated and fails to show identification of their legal age. If a member is cited, the whole membership (couples/family) will be addressed and reviewed by the Board.

WASTE MANAGEMENT The dumpster is meant for Wahkonsa clubhouse and golf course trash items on, which is placed by WCC staff. It is not available for members or non-members to bring in trash and place it in our dumpster or dumpster area, as a free service. Waste management is paid by the club, i.e. membership.

CART SIGNS & GREEN CARE Please abide by all signs around the course which includes the no cart signs. No cart signs will clearly lead you in a specific direction, please do not drive through the middle of them. When driving your golf cart, you must be at least 35 feet away at all times. If traffic is heavy enough or weather conditions bad enough, carts can cause turf to wilt to the point of no return, leaving thin weak areas.

PLAYING THROUGH If a group behind you is playing faster please be courteous and allow them to play through.

YOUNG GOLFERS Young golfers are still learning the game, have patience and kindly share with them rules and golf etiquette.

OUTSIDE DRINKS Outside alcohol and beverages cannot be consumed on Wahkonsa property (course, clubhouse, cart sheds and parking lot). The only alcohol that can be consumed on Wahkonsa grounds has to be purchased at the clubhouse. If a golfer is found to have brought their beverages from outside, they will be told to dump them out or confiscated by the club, and they will be given a warning. If the golfer does not comply, they will be told to leave with no refunds issued. If anyone is a repeat offender, we will review on the grounds of suspension.

LARGE GROUPS If Open Course, there should be no more than 5 golfers playing a hole at a time. If a group has more than five golfers, they will be requested to split up. If they do not comply, they will be requested to leave with no refunds issued.

Couples League (Monday start @ 5:30), Women's League (Wednesday start @ noon), Men's Association (Thursday start @ noon) and Tournaments (course closed) have the right to govern their group sizes and are not required to follow the bi-law of 5 golfers or less.

WOMEN'S DAY Women's Day begins at 12:00pm CT, on every Wednesday. Only women 18 years and older are allowed to golf after 12:00pm CT. If you are not a woman 18 years or older and you tee off of hole 1 by 11:59am CT, you are allowed to finish your 9 holes. If you are not a woman 18 years or older and tee off at 12:00pm CT or later, you will be requested to leave.

MEN'S DAY Men's Day begins at 12:00pm CT, on every Thursday. Only Men 18 years and older are allowed to golf on these days. If you are not a man 18 years or older and you tee off of hole 1 by 11:59am CT, you are allowed to finish your 9 holes. If you are not a man 18 years or older and tee off at 12:00pm CT or later, you will be requested to leave.

TEN MILE RADIUS

Non-members who live within a ten-mile radius of the club can only golf as a guest three times from April 30th to October 1st of the calendar year. Guest Green Fees tags are limited to three (3) guest fees per certificate membership per year. If the guest is from inside the ten-mile membership radius, he or she can only be a guest three times per year from April 30th to October 1st each year. If the guest is from outside the ten-mile radius, he or she can be a guest unlimited times but can only receive guest fees three times during that year, after which the guest will pay full green fees.

FINAL NOTES If you, as a member, see someone not following the rules, please use your right as a member and politely approach that member or golfer. We are all members who want to see this course continue to succeed and be around for many generations. **This is only achieved by the entire body of the membership, following the rules, enforcing the rules and keeping the course a respectable and enjoyable place to be.** Please view bylaws on our website.

MESSAGE FROM RICK PIERCE

"I believe every member that golfs here, at one time or the other, has struggled with the game. Be it mis-hits, worm burners, chubby, thin golf shots and sometimes the one shot that makes you keep coming back. I also believe that now that we have mastered the game, we forget about those times when we were just learning the game of golf. Golf is a game of integrity and honesty. It can be a real life building institution. It can be fun and at the same time very frustrating.

Let's not complain about new members or golfers just learning the game. Sometimes it takes longer to play a hole than regularly. Maybe you hit a tree really solid and did not see which way it went. You have some time to look for your ball. Maybe you hit it right into the sun and no one got to see where it went.

Let's welcome all golfers to our beautiful course. Hopefully our membership continues to grow every year. The best way to remain solvent is to have plenty of members. One thing to think about, maintenance costs on the golf course is the same if there are 100 members or 500 members.

With 500 members, the club would be able to do a lot more upgrading of course and clubhouse. So let's welcome new golfer's to our course, without them we may not be able to remain solvent. Thank you!"
