We are excited to announce that Wahkonsa has joined the Iowa Golf Association (IGA) which offers our members the option to join the Golf Handicap & Information Network. (GHIN) is one of the largest handicap management tools in the world, serving more than 2 million golfers and 15,000 golf clubs and provides a Handicap Index for every golfer – regardless of age, gender or skill level – with a universal measure of playing ability under the World Handicap System. A Handicap Index allows you to play with any golfer on a fair and equitable basis and participate in events that require a GHIN handicap.
